

# HS-410F

*Foldable Headband Headset with Tattoo Pattern*

HS-410F is an easy to carry, lightweight, foldable headset with a convenient in-line volume control and rich audio quality. The lightweight soft leather ear pads stay comfortable even after long hours of use. The 3-way foldable structure is designed for easy storage. For online chatting, HS-410F has a convenient in-line microphone and a volume control without using your PC. The in-style ear tattoo pattern design makes you stand out from the crowd. HS-410F also comes in two distinct color options: black or yellow.
