

# GX-SOFT GAMING MOUSE PAD

Genius now launches a new series of soft gaming mouse pads for pro gamers. *GX-Speed* is a slick cloth weave pad designed for precise and fast tracking during MMORPG or RTS gaming. *GX-Control* is a heavily textured weave pad designed for accurate mouse movement during FPS gaming.

GX soft gaming mouse pads work with all types of mice and settings, with a 5 mm non-slip natural thick rubber padding, it provides a superb surface grip during gaming session. The enlarged pad size of 320 x 230 mm allows comfortable and unrestricted movement.

A binding strap is included so you can roll up the mouse pad and take it with you to your next game event. For more information about these professional gamer mouse pads, please contact your sales representative.
