

Numpad i110

Slim Numeric Keypad

Numpad i110 is a new Genius USB numeric key pad that is ideal for use at home or in the office. The slim classic design offers your hand great typing posture. The Apple-like keycaps provide a soft and comfortable typing feedback and are a perfect complement to your notebook for anyone working on spreadsheets, accounting or financial applications. It's really easy to set up, just plug it into your notebook and you're ready to compute, no driver required.

Numpad i110 is a perfect partner if you use spreadsheets or financial applications often, just ask your local salesperson for more information about this numeric key pad.
